Why Choose GoSharpener for your School?

We support you in building a brand which is cautious about sustainability.

GoSharpener has been built at the confluence of what the world needs, what the youth wants to do and what the parents and schools desire. We are a platform of choice when it comes to making an impact on the world.

Exclusive School Student Community for SDGs

Fulfil sustainable goals by taking meaningful actions such as saving water, planting trees, adopting animals and get appreciated. We are creating impact across the country.

How to implement GoSharpener for your School?

Discuss global topics, take impactful actions, share your deeds.

Do Good Work

Be a part of the largest school student network focused at sustainable actions

- > Choose sustainable goals of interest
- > Follow actionable guidelines from expert organizations
- > Implement tool kits on sustainable actions
- > Motivate students to report actions

Build Impact Profile

If not now, when? If not you, who?

Track and quantify student contribution on sustainable actions

- > Report daily sustainable actions
- > Quantify & measure impact of sustainable actions
- > Create integrated digital school & student impact profile
- > Generate annual portfolio of sustainable impact

A screenshot of a tablet displaying the 'IMPACT PROFILE' interface. The interface has a green header and a white background for the form fields. Below the form is a table with columns for SUBJECT, SCORE, and ORG. The table lists various sustainable actions and their corresponding scores and organizations.

IMPACT PROFILE		
Name:	Aaryan	School: zxy Public School
Platform:	GoSharpener	Date: 15-07-2022
SUBJECT	SCORE	ORG.
Trees Planted	51	CSE
Water Saved	1500 L	WAI
Skills Transferred	03	CRY
Animals Adopted	04	PETA
Traffic Signals Managed	06	TRAX
Monuments Protected	02	ASI

Win Rewards

Everyone is a winner schools, teachers and students
Showcase contribution to the entire school student fraternity & get national level recognition
